ANOTHER TRUST COMPANY

One Talked of Being Formed in This City at An Early Date

It is mooted on the streets that we are to have another Trust Company.

To a disinterested person it would appear that this city has enough banking institutions to supply the wants of all legitimate business transactions; they are all safe, sound and ably conducted too.

The query is, does the city need another banking house? But then this is a free country and every fellow has a right to do as he will with his own money.

Southern Railway passenger train No. 35, Westbound, was wrecked by a landslide at Bridgeport, Tenn., early yesterday morning. The engine turned over, and two passenger cars rolled into the river. Hanna, Mrs. Parsons and Mrs. McCormick. Nothing is left to charity. Mrs. Hanna, Dan R. and L. C. Hanna are named as trustees. The estate is valued at \$3,000,000.

The Panama Canal Treaty was ratified at 3 p. m. yesterday. The vote was 66 to 14. The ratification of the treaty marks the finish of one of the greatest legislative contests in the history of the country. Incidentally it also means a signal victory and a \$2,000,000 fee for one of the best-known corporation lawyers in the United States, William Nelson Cromwell of New York, the general counsel of the Panama Canal Company.

A direct threat of war is said to have been conveyed to China by Russia, if China insists that the Russian gunboat Mandjur leave Shanghai as demanded by Japan. Japan, in turn, is taking steps on the ground that China has committed a breach of neutrality in allowing the Mandjur to remain as long as it has. The Japanese claim is that Paul Lessar, Russian Minister to China, bribed the officials. Thus China is in a dilemma, with painful consequences threatening either step. It is said, however, that China will send cruisers, if necessary, to enforce the neutrality laws and expel the Mandjur.

Tendency of the Times.
The tendency of medical science is toward preventive measures. The best thought of the world is being given to the subject. It is easier and better to prevent than to cure. It has been fully demonstrated that pneumonia, one of the most dangerous diseases that medical men have to contend with, can be prevented by the use of Chamberlain's Cough Remedy. Pneumonia always results from a cold or from an attack of influenza (grip) and it has been observed that this remedy counteracts any tendency of these diseases toward pneumonia. This has been fully proven in many thousands of cases in which this remedy has been used during the great prevalence of colds and grip in recent years, and can be relied upon with implicit confidence. Pneumonia often results from slight cold when nodanger is apprehended until it is suddenly discovered that there is fever and difficulty in breathing and pains in the chest, then it is announced that the patient has pneumonia. On the safe side and take Chamberlain's Cough Remedy as soon as the cold is contracted. It always cures. For sale by J. Jas. Wood & Son.

Prominently Mentioned as Successor to Bishop Dudley

The Rev. Dr. W. G. McCready, Pastor of the Church of the Nativity of this city, is said to stand an excellent chance of becoming Bishop of the Diocese of Kentucky, to succeed the late Bishop Dudley of Louisville.

In an interview, a well known Episcopal Churchman at Louisville said Dr. McCready would get the place if it is given to any Kentuckian. He is an Archdeacon of the Lexington Diocese and Diocesan Evangelist, and is recognized as one of the strongest men in the Ministry.

The selection of the Bishop takes place at a meeting of the Diocesan Council at Hopkinsville on May 15th.

Dr. McCready has been in the East the past few days, having had a call to the Episcopal Church at Easton, Md., and going there on Thursday last to look over the field.

AFTER GRIPPE

Or Any Severe Sickness Our Druggist, J. C. Pecor, Advises Maysville People to Take Vinol.

Every Person Recovering From a Severe Illness May Be Quickly Restored to Health and Strength by Vinol.

Mrs. G. I. Partridge of Franklin, Mass., who recently celebrated her 60th wedding anniversary, writes:

"The gripple left me in a very weakened condition—no appetite, thin, nervous and no vitality. Nothing seemed to help me until a friend brought me a bottle of your Vinol. I commenced to take it, and it gave me a hearty appetite, my health and strength returned until

MRS. G. I. PARTRIDGE.

I feel like a new creature. I consider Vinol a wonderful medicine for any one who has had a severe sickness; it makes strength and vitality so fast."

We have never sold in our store such a valuable strength creator and health restorer for the convalescent as Vinol. This is because Vinol contains in a concentrated form all of the vital principles of cod liver oil, but without a drop of oil to upset the stomach and retard its work.

Vinol purifies and enriches the blood, tones up the digestive organs, and strengthens every organ of the body to do its work as nature intended.

We ask every person in Maysville who has been ill to try Vinol on our guarantee to build them up and make them well and strong. We return money if it fails. J. C. Pecor, Druggist.

An Early Riser.

A strong, healthy, active constitution depends largely on the condition of the liver. The famous little pills known as DeWitt's Little Early Risers not only cleanse the system but they strengthen the action of the liver and rebuild the tissues supporting that organ. Little Early Risers are easy to act, they never gripe and yet they are absolutely certain to produce results that are satisfactory in all cases. Sold by J. Jas. Wood & Son, Druggists.
